Preparation for Health Screening

- Fast for a minimum of eight (8) hours prior to the screening to ensure accuracy of results.
- Kindly inform our staff upon registration if you are currently undergoing any medical treatments or if you have any medical conditions that entail specialist requirements.
- Please do not wear contact lenses on the day of screening.
- Light refreshments will be provided for health screening packages only.
- The screening itself may take anytime between three (3) to five (5) hours depending on your chosen package.
- For ladies, it is best to have your health screening done one (1) week or ten (10) days before or after your menstrual cycle in order to obtain more accurate results. This is important when doing a Pap Smear, Ultrasound of the Abdomen & Pelvis as well as Mammogram.
- Please wear comfortable clothes and walking shoes for Stress Test.
- Kindly register at our Health Screening Centre before 9.30am.
- Please bring your IC / Passport & employee ID card for verification.
- Payment can be made at our Health Screening Centre registration counter before the procedure. We accept cash, credit card, debit card and online payment.
